

Medical and Insurance Policy

NovaTech Solutions Pvt. Ltd.

Policy Document Code: NTS-HR-003

Internal Company Policy

This document contains fictional policy information created specifically for an academic Enterprise RAG project. It does not represent a real company's policy.

1. Policy Overview

NovaTech provides eligible employees with group health insurance benefits subject to the terms and conditions of the applicable insurance arrangement.

The policy is intended to support eligible healthcare expenses and provide employees with access to a defined network of hospitals and claim procedures.

2. Health Insurance Eligibility

Eligible employees are enrolled in the company group health insurance programme according to company onboarding and benefits procedures.

Employees should review their insurance enrolment information and contact HR or the benefits team if they identify an issue with eligibility or coverage.

3. Sum Assured and Coverage

The group health insurance sum assured is ₹3,00,000 per employee per year, subject to the applicable policy terms, exclusions, limits, and claim conditions.

Employees should review the insurance documentation for detailed treatment-level conditions and exclusions.

- Group health insurance sum assured: ₹3,00,000 per employee per year.
- Coverage is subject to insurer terms and conditions.
- Certain treatments may have separate limits or exclusions.

4. Dependent Coverage

The company group insurance programme covers the employee's spouse and up to two children as eligible dependents, subject to enrolment requirements.

Employees must provide accurate dependent information when adding eligible family members to the insurance programme.

- Spouse is an eligible dependent.
- Up to two children may be covered.
- Dependent information must be accurate and current.

5. Pre-existing Conditions

Pre-existing medical conditions are covered after a two-year waiting period, subject to the applicable insurance terms and conditions.

Employees should review their insurer documentation for the detailed definition of pre-existing conditions and applicable waiting-period rules.

6. Cashless Hospitals

The group insurance programme provides access to a network of more than 500 empanelled hospitals for eligible cashless treatment, subject to network availability and insurer approval.

Employees should verify hospital network status before planned treatment and follow the cashless authorisation process.

- 500+ hospitals are included in the cashless network.
- Cashless treatment is subject to insurer approval.
- Employees should verify network status before planned admission.

7. OPD and Medical Claims

Out-patient expenses are not covered under the standard group insurance programme. NovaTech provides a separate OPD allowance of ₹10,000 per year for eligible employees, subject to applicable procedures.

Medical reimbursement claims should include the documentation specified by the benefits team or insurer.

- Standard group insurance does not cover OPD expenses.
- Separate OPD allowance: ₹10,000 per year.
- Supporting bills and documents may be required.

8. Claim Procedure

Employees should initiate medical claims through the insurer or approved benefits process. Claims should include relevant medical bills, prescriptions, discharge summaries, and other documents requested by the insurer.

For dependent claims, the employee should provide documentation establishing the dependent's eligibility where requested.
